CK0A1-4E3P

Overview

The V7 Standard Keyboard provides superior, all-day comfort for demanding keyboard interaction. The keyboard features an attractive, gently-curved key design, and durability that makes this keyboard a great value.
With simple plug-and-play connectivity, this keyboard works right out of the box.
It is a standard size keyboard with a 104-key layout that is a stylish black color to complement the look and feel of any contemporary desktop.
The highly durable mouse provides a smooth gliding experience. Enjoy a beverage while you work knowing your keyboard is designed to withstand accidental spills. Plug-and-play for excellent performance and a comfortable feel - and overall, an unbeatable value!
